National Seminar

on

Reshaping a Greener Future

About the seminar:

To be inspired is great; To inspire is incredible

Let's understand the need of change. Let's inspire the people with our vision to be part of the change, and to develop and maintain a sustainable living environment.

We as professionals must understand the need of the hour and act accordingly. We should take the very first step towards building a sustainable future for our next generation.

This National Seminar aims to inspire ourselves, to keep the nation on the right track in this vibrant phase of digitalization & globalization alongside understanding the needs to go with the more future-ready innovations. This is the call of the nature and society to develop greener alternatives to the traditional consumables for the future to be sustained.

Let's Inspire, is the motivating spirit of the National seminar of Institute of Self Reliance.

Institute of Self Reliance will hold its National Seminar on **"Reshaping A Greener Future"** in Bhubaneswar on **10th January 2026**. The national leaders from all professional categories are going to attend the program. Be part of this Seminar and inspire yourself as well as others.
